I am a member in good standing of the Bar of the State of New York and have been practicing law for more than 2 years. I agree to serve persons referred to me by the Service in accordance with the terms of the Service. I hereby:

a.) agree to grant the clients referred an initial one-half hour consultation fee for no more than $50 and this fee may be waived by me.

b.) agree that any matters referred to me will be handled by me personally or by a lawyer under my supervision; and if I do not accept them, I shall refer clients back to the Service and notify the Service of the action taken.

c.) authorize the Grievance Committee of the Nassau County Bar Association, NY, and the Grievance Committee of the State of NY, Tenth Judicial District, to release any information pertaining to me to the Service for the purposes of clearance.

d.) understand that the Service is not a provider of legal services and does not carry malpractice insurance. As a participating attorney, I will be solely responsible for proper legal services provided to referral clients.

e.) submit to the Service a copy of the declaration page of my professional liability insurance policy or other evidence satisfactory to the service that such coverage is in force and effect.

f.) agree to notify the Service of the renewal of my professional liability coverage accompanied by a copy of the declaration page of the renewal policy or other satisfactory evidence.

g.) agree to pay to the Service an additional referral fee equal to ten (10%) percentage of the aggregate fee received where the aggregate fee received by the Panel Member is $1,000 or more. For example, if the aggregate fee received totals $1,500, the referral fee due to the Service is $50.

h.) declare my competency to practice in the selected areas of law in which they need assistance. In an effective means of introducing people with legal problems to attorneys experienced in the economic spectrum.

Frequently Asked Questions

Who are the Service clients?
The Lawyer Referral Information Service (the Service) is promoted widely in the courts, agencies and libraries, as well as the Yellow Pages website. Clients who take advantage of the service come from all walks of life and run the gamut of the economic spectrum.

Do I have to charge the client the initial $50 half-hour consultation fee?
No. This is entirely at the discretion of the attorney. However, by choosing to serve on the Service panel, attorneys agree not to charge these clients more than $50 for the first half-hour.

What fee should I charge the client?
Beyond the initial half-hour consultation (maximum $50), the arrangement is between you and the client. It should be discussed with, and fully understood by, the client prior to your beginning to work on the case. The only exceptions are the Deferred/Reduced Fee Matrimonial and Prisoners Rights panels.

How are the referrals assigned?
Panel members become part of our computerized program designed to provide attorneys’ names on a rotation basis according to areas of concentration and geographic location. Callers are asked a series of questions by Service staff to ascertain the nature of the problem and the caller’s residence or place of business. The caller is then given the appropriate referrals.

Should I call the client?
No. It is the client’s responsibility to call the attorney. Sometimes clients decide not to pursue their situation any further, and often they are calling with matters confidential and unknown to other family members.

When is a referral fee owed to the Service from the payment of fees from referred clients?
Any matter referred by the Service and any transaction, proceeding or action directly related to the matter referred, where the aggregate fee received by the Panel Member is $1,000 or more, the Panel Member shall pay to the Service an additional referral fee equal to ten (10%) percentage of the aggregate fee received by the Panel Member. However, the first $1,000 received by the Panel Member shall be exempt for the purposes of computing the referral fee. For example, if the aggregate fee received totals $1,500, the referral fee due to the Service is $50.
